

Hi perspective NACK (North Atlantic Canoe and Kayak) members,

Membership in our kayak club also requires membership in the ACA (American Canoe Association) our parent organization and insurer. You must first join the ACA and then you can immediately complete the NACK application.

1. Log onto <http://www.americancanoe.org>
2. Along the top of the page, select membership, and below that, select join ACA
3. If you are under 62 years of age, select the bullet PAC individuals and families.
4. Above that line, click on the link signup as a new user.
5. On the following page, complete the sign up info with the username (this can be your e-mail address); first name; last name; under paddle America clubs, click the down arrow and then select Paddle America Clubs: North Atlantic Canoe & Kayak inc.
 - a. I can't verify it, but somewhere along the line you will surely be requested to create a password.
 - b. Select a 1 year membership if asked.
 - c. This membership fee is \$30 individual & family \$40
 - d. If you are 62 years of age or older, under step 3, selecting individuals or families will reduce the membership fee to \$25. You will not be asked information about the Paddle America Clubs (PAC)
6. You will be required to complete an ACA waiver on line for which you sign with your finger.
 - a. When you complete and pay your ACA dues (which can be done online with a credit card, you will be issued an ACA Membership # and an ACA Expiration date. Keep a record of this information which is needed to complete your NACK application.
7. Henceforth you will receive a yearly notification when it is time to renew your required ACA membership .
8. After you have joined the ACA, you can complete the NACK application and mail it in with a check, as indicated on the application.

Let me know if you need any help.

Thank you very much,

Bob Horchler
