Training Award Nomination

Criteria: This award recognizes a member who embodies the spirit of NACK in the area of personal skills development and has during the course of the year most significantly improved their paddling skill.

Requirements: To be considered for this award the nominee must be a current dues-paying (i.e. Regular, Family, Commercial) member in good standing fulfilling all current membership requirements. If the voluntary work credit requirement is in force at the time of this award, then a valid nominee must show activity in their work account within the current year.

Limitations: The Club's Training Chair may not be considered for this award.

Nominations: Any member of NACK (including the nominee) may submit any number of Nominations for this award. Nominations can be delivered to the Awards Chairman at any time up to two weeks in advance of the award date using the attached form. If a suitable form is not available any format may be used as long as the required elements are completed. All questions regarding award nominations should be directed to the Awards Chairman.

NOTE: The nomination should be as detailed as possible. The Awards Committee may gather or solicit further information about the nominee for the purpose of facilitating a decision and as preparation for possible presentation of the award.

The Award: The Awards committee will screen all nominations and forward valid submissions to the Training Chair for consideration. Presentation of the award will take place at the Annual Awards Dinner. If this is not possible, the Awards Committee will arrange another suitable time.
